In Memory of Phillip Manculich

whoever
upon reading these words
might think
of me,
of the summers
that were like unfolding flowers,
when we spoke
of life or happiness
and how to attain it,
of the times we tried
to reach the stars
bare-handed
and, upon falling,
looked at the sky with laughter,
without the fear of now:
when you remember me
think of the laughing,
and don't dwell on the times we
cried and dried
each other's tears.
love should be kept
for years,
not lost in a summer's rain

Although you left us in 8th grade, your memory is still a part of our graduating class sadly missed by the Class of 1982

GRADUATION DAY

Today we'll start a new life
And we'll say our last goodbyes
to all the friends we've grown to love,
With whom we've laughed and cried.

Remembering the fun and laughter,
The problems and the fears.
And watching all our memories grow
Throughout our high school years.

The memories of the dances
And the new friends that we've met,
Vacations, teachers, talking
And exams we'd rather forget.

Yes high school days are precious but brief
Where all your dreams come true;
It is not the end, but the beginning
Of a life we'll start anew.

AIM SO HIGH YOU'LL NEVER BE BORED

The greatest waste
of our natural resources
is the number of people
who never achieve their
potential.
Get out of that
slow lane.
Shift into that
fast lane.
If you think
you can't, you won't.
If you think you can,
there's a good chance you
will.
Even making the effort
will make you feel like
a new person.
Reputations are made
by searching for things
that can't be done
and doing them.
Aim low:
boring
Aim high:
soaring.

The Viking Band marched to a few new tunes this year. Their halftime performances included, "Hit Me With Your Best Shot," "Theme from the Greatest American Hero," and "Night Train." The Band attended all of the football games this year due to the Band Mother's help. In addition to halftime shows, a few talented band members formed a pep band for Varsity basketball games. This band psyched the players and helped push them to many home victories.

Ski Fever!

Ski fever hit B.V. once again this year. Skiers in Senior and junior high took four great trips to Blue Knob. One special trip, for night-skiers, was taken to Seven Springs. All the downhill enthusiasts had their share of falls. These falls never hurt their spirit for "taking OFF TO THE GREAT WHITE NORTH!"

The Vikings finished the 1981-1982 football season with a 3 and 6 record. But the record doesn't tell the whole story. The Vikings shattered a 14 game losing streak, spanning over two seasons with an exciting victory over Berlin. The rest of the season was not without its share of thrills. The best game for the Vikes most likely was the homecoming game against Penns Manor. The Vikings trounced the Comets with a score of 34-14.

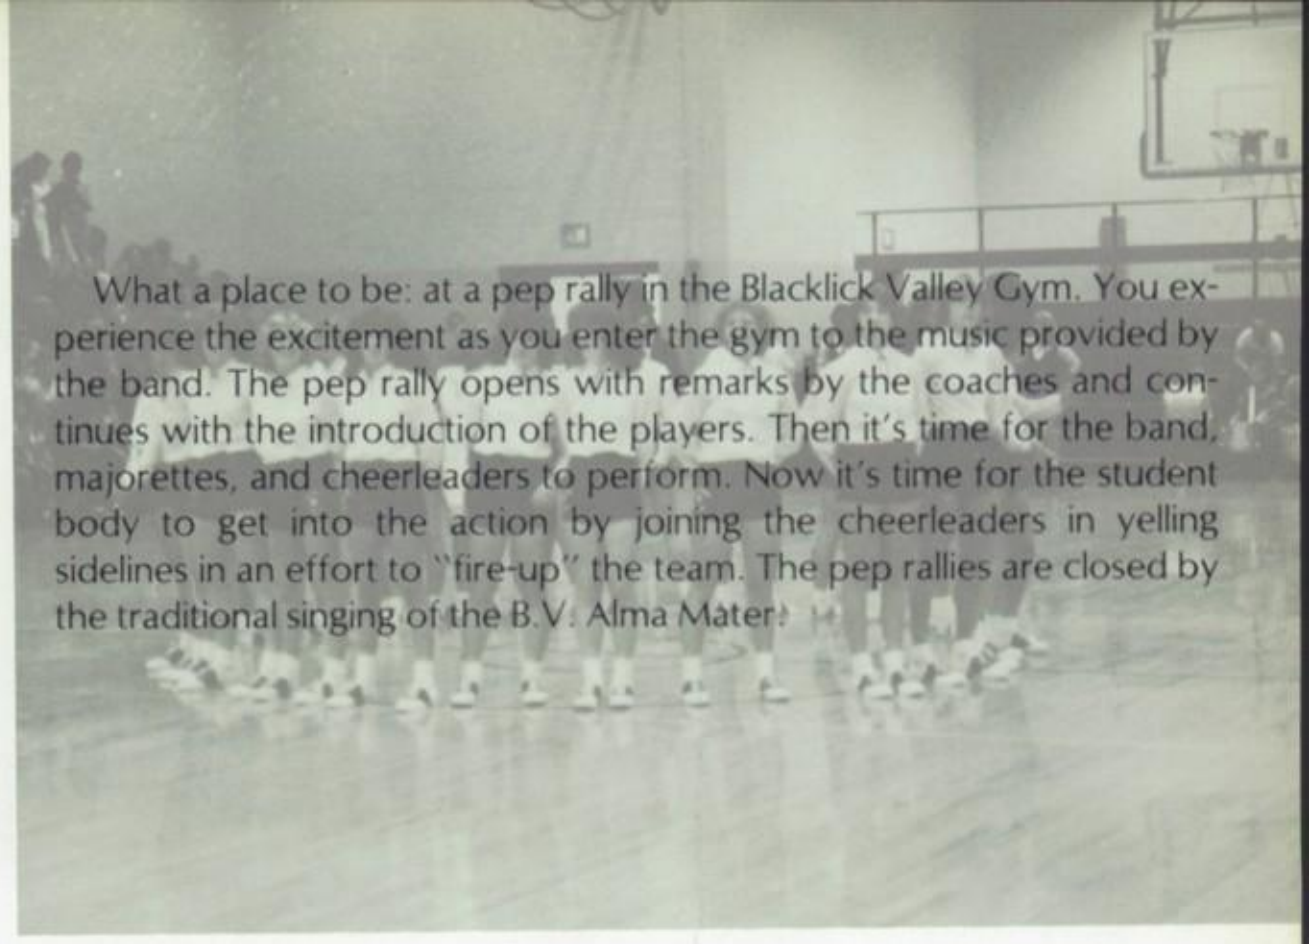
Pep Rallies

Full of Spirit
and
Full of Enthusiasm



What a place to be: at a pep rally in the Blacklick Valley Gym. You experience the excitement as you enter the gym to the music provided by the band. The pep rally opens with remarks by the coaches and continues with the introduction of the players. Then it's time for the band, majorettes, and cheerleaders to perform. Now it's time for the student body to get into the action by joining the cheerleaders in yelling sidelines in an effort to "fire-up" the team. The pep rallies are closed by the traditional singing of the B.V. Alma Mater!

Traditional end of pep rally with the singing of the B.V. Alma Mater.

Hail to thee our Alma Mater
Blacklick Valley High, ever
loyal true and faithful we

To thee we'll never forget
you've been our guiding light
Hail to thee for what we

Homecoming

Scenes From the First Annual Homecoming Parade

The B.V. Homecoming Parade participants included the band cheerleaders, homecoming candidates, and a lot of young, spirited Viking supporters. The parade route went through downtown and ended at the football field. Many spirited spectators enjoyed the parade. Their happiness continued when the Vikings crushed the Comets at the homecoming game.

Words of

1. Simple English is no one's mother tongue. It has to be worked for.
2. Success in solving problems depends on choosing the right aspect, on attacking the fortress from its accessible side.
3. Theoretical insights flourish best when the thinker is apparently wasting time.
4. When a thought is too weak to support a simple expression, reject it.
5. The only danger that threatens the native speaker of a standard language is artificiality.

Mr. Glenn D. Kowalczyk

Remember in your endeavors of life that a difficulty is nothing more than an opportunity.

Miss Linda Yobbagy

Time is of the essence!

Mr. Bishop

I wish the Class of 1982 the best of everything upon graduation. It is my hope that the college-bound students are well prepared for entrance to college and that the rest of the students find well-paying jobs.

Miss I. Shandor

People control the direction of their lives – we create both our good times and our bad.

Mr. D. Hakanen

Success is working and trying as hard as you can in anything you do.

Mr. W. Cioni

You have eyes; see, not just look
You have ears; listen, not just hear
You have brains; think, not just wonder
You have hearts; to care and to share

Mr. G. R. Nedrich

As you slide down the bannister of life, just think of BVHS as a splinter in your *career*! May the rest of your lives be filled with "never-fail" experiments and unbreakable test tubes. Best wishes to the Class of '82.

Miss J. Tomb

Life can be rough . . . or it can be great. It all depends on whether we approach it with the right attitudes. If a person has the right attitudes, you can bet on the fact that he'll continue to learn, grow, and develop. Furthermore, he'll always be the kind of person we enjoy working with.

Mrs. Joyce B. Kovach

Wisdom

ince you have but one life to live, make it a good one. nstead of waiting for some grand opportunity to arrive With lights and bells, greet every single day as a present pportunity to enhance your life. A particularly fine way o accomplish this is by doing for others,"for it is in giving hat we receive."
Miss Edith Parrish

Be tolerant of those who have values and opinions that you do not share.

Mr. R. Anodide

Keep your powder dry!

Mr. M. DeYulis

Every job done is a self-portrait of the person who did it. Autograph your work with excellence.

Mrs. F. Mentch

Choose for thy friend, the friend
of virtue;
Yielf to his gentle counsels,
Profit by his life
Choose one in whose company you
feel a trememdous well being;
In whose company, in whose vibe
Something starts dancing in you
Whose presence helps you to soar
high.

Mr. P. Kupchella

"A State of Mind"
"If you think you are beaten, you
are.
If you think you dare not, you
don't.
If you'd like to win, but you think
you can't
It's almost a cinch you won't.
If you think you'll lose, you've
lost.
For out of the world you find
Success begins with — A fellow's
will
It's all in the State of Mind."

Mrs. B. Westwood

Find a little happiness in each day.

Mrs. C. Leonard

Life is a scrapbook of memories.
Better to have pages filled with mrmories of winning and losing, than empty pages filled with never having tried.

Mr. J. Evans

Be humble enough to obey,
You may give orders someday.
Don't let your parents down,
They brought you up.
Be master of your habits,
Or they will master you.
Choose only a date who
Would make a good mate.

A Message From the Editor

The school year, 1981-1982, is quickly drawing to a close. Another year, full of memories, is almost finished. I hope that this edition of the "Echo" will serve as an everlasting reminder of all the events and happenings that made this year great. For the seniors in the Class of '82, this yearbook is a special one, filled with memories from their last year of high school. I hope that this book will serve as a lasting reflection of everything that made their year — 1982 — special.

I would like to sincerely thank the people who put forth an effort to make this yearbook one that we can be proud of. A special thanks to Mr. Kowalczyk, for without his help, this yearbook would not have been possible.

Best wishes in the future,

Kimberly A. Deetscreek

In Memory of . .

In recognition for many years of devoted service to the Blacklick Valley School Board and to the community of Nanty Glo

Time,
flowing like a river;
time,
beckoning me,
who knows when we shall meet again,
if ever;
but time keeps flowing like a river to the sea.

Goodby my love,
maybe for forever;
goodbye my love,
the tide waits for me,
who knows when we shall meet again,
if ever;
but time keeps flowing like a river to the sea.
To the sea, 'til it's gone forever, gone forever,
gone forever-more.

Goodbye my friends,
maybe for forever,
goodbye my friends
the stars wait for me;
who knows where we shall meet again,
if ever;
but time keeps flowing like a river to the sea.
To the sea,
'til it's gone forever, gone forever
gone forever-more
For ever more
